"To do my Erasmus at the UCLL was one of the best experiences I had. I improved a lot of my skills in a professional, but also a personal way. Leuven is an awesome place to study, with a lot of international students. The courses at UCLL were a mixture of exciting and practical topics, so I really enjoyed the opportunity to study there. I appreciated the journey and I can really recommend to do your Erasmus at the UCLL. I left a part of my heart in Leuven."
