"Everyone at the UCLL Faculty of Social Work was very helpful, and the courses were very interesting. UCLL did everything they could to make this Erasmus happen for me. I did a lot of fun things and made new friends. I would definitely recommend it to everyone!"

"To do my Erasmus at the UCLL was one of the best experiences I had. I improved a lot of my skills in a professional, but also a personal way. Leuven is an awesome place to study, with a lot of international students. The courses at UCLL were a mixture of exciting and practical topics, so I really enjoyed the opportunity to study there. I appreciate the journey and I can really recommend to do your Erasmus at the UCLL. I left a part of my heart in Leuven."
